

# Schedule of Registration Classes

## Cancellation Fee Changes

We're making some changes to our registration system and have different processes for how cancellation fees are calculated based on the system that is being used. Vehicles registered to individuals in the following plate classes will be charged a fee of \$25.

Pursuant to changes made to *The Automobile Accident Insurance Act (AAIA) General Regulations*, the following registration classes are the ones referred to in section 21.

**TABLE 1 - Section 21 of the AAIA (General) Regulations – Cancellation Fee Changes**

If registration occurs after April 1, 2025, all applications from individuals that are not co-owners or companies in the following classes will pay cancellation fees:

Classes
LV
F (one-ton vehicles or smaller)
PV
