

Provincial Traffic Safety Fund Grant Recipients

January – March 2022

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|-------------------------------|-------------------------------------|---|--------------|------------------------|------------------|
| Town of Aberdeen | Pedestrian Safety | Sidewalk – Construction of sidewalks at a high-risk area to improve pedestrian safety in the town. | \$40,000 | Jul. 1 – Jun. 30, 2023 | Susan Thompson |
| Town of Balgonie | Speed Initiative | Speed display signs – Installation of speed display signs to reduce potential collisions within the town. | \$7,420 | Jul. 4 – Sep. 1, 2022 | Karen Craigie |
| Town of Bienfait | Hwy 18 Crosswalk to Recreation | Crosswalk signage – Installation of pedestrian crossing signs at the intersection of Hwy 18 and Young St. to improve pedestrian safety within the town. | \$32,331 | Jul. 1 – Sep. 30 2022 | Jessica Franklin |
| Town of Big River | Pedestrian Safety – Street lighting | Streetlights – Installation of streetlights to reduce the risk of potential collision and improve safety for vulnerable road users within the town. | \$12,428 | Jul. 1 – Sep. 30, 2022 | Noreen Olsen |
| Big River First Nation | Traffic Safety and Awareness | Traffic signs – Installation of speed limit, watch for children, cattle crossing, stop, reduce speed signs and other traffic signs to prevent collision, injuries and improve traffic safety within the community. | \$37,956 | Jul. 1 – Oct. 31, 2022 | Autumn Thomas |
| Town of Biggar | Daycare and Playground Safety | Speed display, crosswalk, playground signs – Installation of push-button pedestrian crossing, speed display and playground signs to improve safety for vulnerable road users. | \$35,291 | Jul. 1 – Sep. 30, 2022 | Marty Baroni |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|----------------------------------|---|--|--------------|------------------------|-------------------|
| RM of Blucher No. 343 | Solar Powered Signs | Speed feedback trailer and speed display sign – Purchase and installation of mobile speed display sign and moveable trailer to improve traffic safety at high-risk areas in the municipality. | \$10,375 | Jul. 1 – Jul. 31, 2022 | R. Doran Scott |
| Village of Bradwell | Radar Speed Signs | Speed display signs – Installation of speed display signs to reduce potential collisions within the village. | \$6,700 | Jul. 1 – Mar. 30, 2023 | R. Doran Scott |
| Town of Bruno | Speed limit Management | Speed display signs – Installation of speed display signs around school zones, playgrounds and other high-risk areas to improve safety of vulnerable road users within the town. | \$10,995 | Jul. 1 – Sep. 15, 2022 | Colette Radcliffe |
| Village of Buchanan | Traffic Safety Signs Speed | Traffic signs – Installation of playground, amber flashing stop, speed display and other traffic signs at the intersections of high-risk township roads with Hwy 5 to improve safety of vulnerable road users in the village. | \$12,185 | Jul. 1 – Sep. 15, 2022 | Keri Gardner |
| Buffalo River Dene Nation | Speed Awareness | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users around Hwy 925 through the community. | \$7,913 | Jul. 1 – Jul. 31, 2022 | Brian Benjamin |
| RM of Caron No. 162 | Traffic Speed Calming | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users in the hamlet of Caron and other high-risk areas within the municipality. | \$8,208 | Jul. 1 – Sep. 30, 2022 | John Morris |
| Village of Caronport | Installation of Pedestrian Crosswalk Lights | Crosswalk signage – Installation of pedestrian crossing signs at high-risk areas to improve pedestrian safety within the village. | \$29,960 | Jul. 1 – Sep. 30 2022 | Gina Hallborg |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|----------------------|--|--|--------------|------------------------|-------------------|
| Village of Chaplin | Speed Monitoring | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the village. | \$8,848 | Jul. 1 – Oct. 31, 2022 | Laurel Johnson |
| Town of Colonsay | Speed Reader Sign | Speed display sign – Installation of speed display sign to improve safety for vulnerable road users within the town. | \$4,466 | Aug. 2 – Nov. 30, 2022 | Maureen Moen |
| Cote First Nation | Speed Reduction | Speed display signs – Installation of speed display signs at high-risk areas to reduce potential collisions within the community. | \$12,552 | Jul. 1 – Sep. 1, 2022 | Arlene Pinay |
| Town of Craik | School Safety Signs | Speed display and amber flashing signs – Installation of amber flashing and speed display signs on Ferguson St. to improve traffic safety within the town. | \$8,710 | Jul. 1 – Aug. 31, 2022 | JoAnne Yates |
| Town of Dundurn | Pedestrian Safety Corridor Phase 1 | Walking path – Construction of asphalt walking path adjacent to Clark St. and Railway Ave. to improve safety for vulnerable road users in the town. | \$40,000 | Aug. 1 – Aug. 31, 2022 | Valerie Schlosser |
| RM of Elcapo No. 154 | Speed Awareness and Reduction when Passing Graders | Speed display signs and mounting brackets – Installation of speed display signs to improve traffic safety in the municipality. | \$19,561 | Jul. 1 – Dec. 31, 2022 | Mervin Schmidt |
| RM of Eldon No. 471 | LED Advance Warning and Stop Signs | Advanced warning and stop signs – Installation of LED advanced warning and stop signs to reduce potential collisions and injuries at a high-risk intersection in the municipality. | \$13,283 | Jul. 1 – Sep. 30, 2022 | Lee Torrance |
| | Transverse Rumble Strips | Transverse rumble strips – Installation of transverse rumble strips to reduce and prevent potential collisions at the intersection of Grid Road 684 and Township Road 492. | \$8,658 | Jul. 1 – Sep. 30, 2022 | Lee Torrance |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|-----------------------------------|--|---|--------------|------------------------|--------------------|
| RM of Enniskillen No. 3 | Warning Signs for Traffic Safety | Remote button activated amber flashing warning signs – Installation of amber flashing warning signs to reduce potential collisions and injuries at the high-risk intersection of Hwy 18 and Main St. where emergency vehicles merge onto the highway. | \$12,788 | Jul. 1 – Sep. 30, 2022 | Pamela Bartlett |
| Town of Eston | School Speed Signs | Speed display signs – Installation of speed display signs to improve safety for vulnerable road users in school zones areas within the town. | \$7,284 | Jul. 1 – Sep. 9, 2022 | Jody Schmidt |
| Town of Foam Lake | School Crossing Zones | Pedestrian crosswalk, playground and school zone signage – Installation of pedestrian crosswalk, playground and school zone signs to improve pedestrian safety in the town. | \$56,619 | Jul. 1 – Jun. 30, 2023 | Joleen Tuchscherer |
| Village of Frontier | Speed Radar Signs | Speed display sign – Installation of speed display sign to improve safety for vulnerable road users within the village. | \$3,883 | Jul. 1 – Sep. 30, 2022 | Barb Webber |
| George Gordon First Nation | Streetlights for Pedestrian Safety | Solar powered streetlights – Installation of streetlights to reduce the risk of potential collisions and improve safety for vulnerable road users within the community. | \$25,662 | Jul. 1 – Sep. 1, 2022 | Lance McNab |
| RM of Good Lake No. 274 | Speed Awareness in our Resorts Project | Speed feedback trailer and speed display sign – Purchase and installation of mobile speed display sign and trailer to improve traffic safety in the hamlets of Burgis Beach, Sandy Beach, Good Spirit and other high-risk areas within the municipality. | \$9,652 | Jul. 1 – Sep. 30, 2022 | Diane Jamieson |
| Town of Grenfell | Speed Management and Pedestrian Safety | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the town. | \$11,156 | Jul. 1 – Oct. 31, 2022 | Brenna Ackerman |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|--|---------------------------------------|---|---------------------|-------------------------|-------------------|
| Town of Hafford | Operation Slow Down | Speed display sign – Installation of speed display sign to improve safety for vulnerable road users around Hwy 340 through the town. | \$3,947 | Sep. 1 – Jun. 1, 2023 | Dana Prystupa |
| RM of Happyland No. 231 | Speed Reduction Project | Speed limit and reduce speed signs – Installation of speed limit and reduce speed signs to prevent collision, injuries and improve traffic safety within the municipality. | \$7,988 | Jul. 1 – Sep. 1, 2022 | Kim Lacelle |
| Northern Village of Ile A La Crosse | Safe Walking Path | Walking path – Construction of a 700m long concrete walking path adjacent to Hwy 908 through the community to improve pedestrian safety. | \$75,000 | Jul. 1 – Aug. 31, 2022 | Donny Favel |
| RM of Invergordon No. 430 | Speed Management | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users around Hwy 20 through the hamlet of Crystal Springs within the municipality. | \$8,170 | Jul. 1 – Oct. 31, 2022 | Courtney Beaulieu |
| Resort Village of Island View | Solar Speed Radar Signs | Speed display and bumps, delineators, etc – Installation of speed display signs, bumps, delineators and others to reduce the potential risk of collision and improve safety for vulnerable road users. | \$20,990 | Jul. 1 – Aug. 25, 2022 | Pamela Holliday |
| Northern Hamlet of Jans Bay | Speed Management | Speed display signs – Installation of speed display signs in school zone areas to improve traffic safety for vulnerable road users within the municipality. | \$8,413 | Jul. 1 – Sep. 30, 2022 | Joyce V. Maurice |
| Resort Village District of Katepwa | Pedestrian Safety and Speed Awareness | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the village. | \$8,248 | Jul. 1 – Aug. 5, 2022 | Gail E. Sloan |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|---------------------------------|---|--|---------------------|-------------------------|-----------------|
| Village of Kelliher | Slow Down | Speed display signs – Installation of speed display signs to reduce potential collisions within the village. | \$7,035 | Jul. 1 – Jul. 31, 2022 | Angela Romanson |
| Village of Kincaid | Playground Safety Zone | Speed display signs – Installation of speed display signs at playground areas to improve safety and reduce potential collisions within the village. | \$8,161 | Jul. 1 – Nov. 30, 2022 | Melissa Masse |
| Lac La Ronge Indian Band | Speed Management | Speed display signs – Installation of speed display sign to improve safety in school zone areas and to reduce potential collisions within the community. | \$7,913 | Jul. 1 – Oct. 31, 2022 | Tayven Roberts |
| | Intersection Management and Language Revitalization | Traffic signs – Installation of stop, yield, speed limit, watch for children and other traffic signs to improve pedestrian safety in the community. | \$9,869 | Jul. 1 – Oct. 31, 2022 | Tayven Roberts |
| Village of Laird | Speed Bump Safety | Speed bumps and signs – Installation of speed bumps and signs to slow motorists down and improve pedestrian safety in school zone area. | \$3,319 | Jul. 1 – Oct. 31, 2023 | Rebecca Poynder |
| | Safety in the School Zones | Speed display, traffic and amber flashing signs – Installation of amber flashing beacon, traffic, and speed display signs in school zone areas to improve safety of vulnerable road users in the village. | \$9,362 | Jul. 1 – Oct. 31, 2023 | Rebecca Poynder |
| Town of Lashburn | Pedestrian Safety Project | Rectangular Rapid Flashing Beacons crosswalk signs (RRFB) – Installation of pedestrian activated push-button crosswalk signs around school zone and other high-risk areas to improve pedestrian safety within the town. | \$20,981 | Jul. 1 – Aug. 26, 2022 | Brad McKenzie |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|--|---|--|---------------------|-------------------------|-----------------|
| Village of Lipton | Safe Walking/Crossing Project | RRFB crosswalk signs – Installation of pedestrian activated push-button crosswalk sign around Hwy 22 to improve pedestrian safety within the village. | \$8,103 | Jul. 1 – Jul. 31, 2023 | Wanda McLeod |
| City of Lloydminster | RRFB Installation for Pedestrian Safety | RRFB crosswalk signs – Installation of RRFB units to improve pedestrian safety on Hwy 17, 47A Ave. and other high-risk areas in the city. | \$14,409 | Jul.1 – Oct. 31, 2022 | Dion Pollard |
| Village of Loon Lake | Reducing Speed Signs | Speed display signs – Installation of speed display signs around Hwy 26 E and Hwy 699 W to improve traffic safety for vulnerable road users within the village. | \$11,884 | Jul. 4 – Mar. 31, 2023 | Erin Simpson |
| Resort Village of Manitou Beach | Keep Speed Down | Speed signs and bumps – Installation of speed signs and rubber speed bumps to slow motorists down and improve pedestrian safety at high-risk areas in the village. | \$10,038 | Jul. 1 – Oct. 1, 2022 | Elise Dale |
| City of Martensville | Illuminated Pedestrian Crossing | Rectangular Rapid Flashing Beacons crosswalk signs (RRFB) – Installation of RRFB units to improve pedestrian safety at the intersection of 10th Ave. N and 3rd St. N. | \$15,048 | Jul. 4 – Jul. 6, 2022 | Leah Bloomquist |
| RM of Meota No. 468 | Safety Speed Signs | Speed display signs – Installation of portable speed display signs at high-risk areas to reduce potential collisions within the municipality. | \$15,023 | Jul.1 – Dec. 31, 2023 | Wanda Boon |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|---------------------------|---------------------------------------|--|--------------|------------------------|----------------|
| RM of Mervin No. 499 | Intersection Safety | Speed display, and amber flashing stop signs – Installation of amber flashing stop and speed display signs around Hwy 26 to improve safety of vulnerable road users in the hamlet of Spruce Lake within the municipality. | \$11,938 | Jul. 1 – Aug. 30, 2023 | Prab Lashar |
| | Intersection Safety | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users in the hamlet of Livelong within the municipality. | \$9,485 | Jul. 1 – Sep. 15, 2022 | Prab Lashar |
| | Radar Speed Sign Project | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the municipality. | \$10,373 | Jul. 1 – Sep. 15, 2022 | Prab Lashar |
| Town of Midale | Solar Radar Speed Signs | Speed display signs – Installation of speed display signs at high-risk areas to reduce potential collisions within the municipality. | \$14,070 | Jul. 1 – Oct. 31, 2022 | Dena Scott |
| Village of Middle Lake | Speed Management – School Zone Safety | LED blinker signs – Installation of solar powered blinker signs at school zone area to improve traffic safety. | \$2,250 | Jul. 1 – Jul. 31, 2022 | Colette Hauser |
| Montreal Lake Cree Nation | Cree Bilingual Traffic Signs | Bilingual traffic signs – Installation of Cree traffic signs to improve safety for vulnerable road users within the community. | \$18,232 | Jul. 1– Sep. 30, 2022 | Conrad Bird |
| Muskeg Lake Cree Nation | Lights for Community Safety | Solar powered streetlights – Installation of streetlights to reduce the risk of potential collision, improve security and safety for vulnerable road users within the community. | \$26,907 | Jul. 1 – Jul. 1, 2023 | Rhonda Myron |
| Muskoday First Nation | Cree Language Traffic Safety Signs | Traffic signs – Installation of stop, speed limit, and other traffic signs in Cree to reduce potential collisions and injuries within the community. | \$4,233 | Jul. 1 – Oct. 30, 2022 | Cori Pederson |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|----------------------------------|---|---|--------------|------------------------|------------------|
| City of North Battleford | Traffic Speed Collector | Traffic data collector – Installation of a portable traffic and speed data collector to help the city identify high-risk areas and prevent potential collisions. | \$15,740 | Jul. 1 – Dec. 31, 2022 | Stewart Schafer |
| Town of Ogema | Community Safety Improvements | Speed display signs – Installation of speed display signs at school zone and high-risk areas to reduce potential collisions within the town. | \$12,216 | Jul. 1 – Dec. 31, 2022 | Joy Christian |
| Resort Village of Pelican Pointe | Radar Speed Signs | Speed display signs – Installation of speed display signs to reduce potential collisions within the village. | \$7,290 | Jul. 1 – Aug. 31, 2022 | Lynda Stack |
| RM of Ponass Lake No. 367 | Site Line Safety Project | Clearing of vegetation – Clearing overgrowth bushes and mulching of trees at high-risk road intersection areas to improve visibility of motorists and prevent potential risk of wildlife and vehicle collisions within the municipality. | \$10,400 | Jul. 1 – Dec. 1, 2022 | Loretta Prevost |
| City of Prince Albert | Crosswalk Safety Improvements | RRFB crossing signage – Installation of RRFB push-button pedestrian crossing signs at high-risk intersections to improve pedestrian safety in the city. | \$55,137 | Jul. 1 – Sep. 30, 2022 | Wes Hicks |
| City of Regina | Traffic Calming at School Zones – Driver Feedback Signs | Full matrix driver feedback signs – Installation of driver feedback signs at elementary school zones (Jack MacKenzie, Ecole Centennial and Sacred Heart Community schools) to improve safety of vulnerable road users in the city. | \$40,000 | Mar. 1 – Dec 31, 2023 | Vikas Ravada |
| RM of Rosthern No. 403 | Radar Speed Signs | Speed Display Signs – Installation of speed display signs to improve safety of vulnerable road users within the hamlet of Neuanlage. | \$7,301 | Jul. 1 – Jul. 31, 2022 | Amanda McCormick |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|---|---|---|--------------|------------------------|------------------|
| RM of Round Hill No. 467 | Speed Management | Traffic signs – Installation of stop ahead amber flashing signs to reduce potential collisions and injuries at high-risk intersections in the municipality. | \$6,660 | Jul. 1 – Aug. 1, 2022 | Christina Moore |
| Northern Village of Sandy Bay | Northern Village of Sandy Bay School Sign Project | Traffic signs – Installation of stop, yield, speed limit, wildlife crossing and other traffic signs to reduce potential collisions and injuries within the community. | \$3,921 | Jul. 1 – Oct. 31, 2022 | Gertrude Bear |
| Resort Village of Saskatchewan Beach | Project Slow Down | Speed display signs – Installation of speed display signs to reduce potential collisions within the village. | \$8,012 | Jul. 1 – Aug. 1, 2022 | Beverley Laird |
| City of Saskatoon | Pedestrian Activated Device | Active Pedestrian Corridor (APC) – Installation of push-button activated amber lights at 45th St. and Hanselman Ave. to increase visibility and improve pedestrian safety. | \$17,784 | Jul. 1 – Dec. 30, 2022 | Nathalie Baudais |
| Town of Shaunavon | School Zone Crosswalk Awareness | Pedestrian crosswalk signs – Installation of flashing pedestrian crosswalk signs at the school intersections to improve pedestrian safety in the town. | \$13,258 | Jul. 1 – Sep. 30, 2022 | Ron Phillips |
| RM of Snipe Lake No. 259 | Speed Management and Construction Zone Safety | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the municipality. | \$10,551 | Jul. 1 – Sep. 1, 2022 | Brian Shauf |
| Southend | Safety Traffic Initiative | Speed display signs – Installation of speed display sign to improve safety in the Reindeer Lake school zone areas and to reduce potential collisions within the community. | \$7,437 | Jul. 1 – Oct. 30, 2022 | Harland Cook |
| Village of St. Benedict | Radar Speed Signs | Speed display signs – Installation of speed display signs to improve traffic safety for vulnerable road users within the village. | \$11,156 | Jul. 1 – Oct. 31, 2022 | Amanda Peacock |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|-------------------------------------|-------------------------------------|---|--------------|------------------------|-----------------|
| Town of St. Brieux | Crosswalk | RRFB pedestrian crosswalk signs – Installation of amber flashing pedestrian crossing signs on 3rd St. to improve pedestrian safety within the town. | \$7,390 | Jul. 1 – Dec. 31, 2022 | Heather Hind |
| Stanley Mission First Nation | Speed Management | Speed display signs – Installation of speed display sign to improve safety in school zone areas and to reduce potential collisions within the community. | \$7,709 | Jul. 1 – Mar. 7, 2023 | James Crawford |
| Resort Village of Sun Valley | Speed Awareness | Speed display signs – Installation of speed display signs to reduce potential collisions within the resort village. | \$18,310 | Jul. 1 – Sep. 30, 2022 | Melinda Huebner |
| City of Swift Current | Pedestrian Crossing Enhancement | RRFB signs and concrete curb extension – Installation of RRFB signs and construction of concrete curb extension at 1st Ave. NW & Sidney St., and 5th Ave. SW & Weaver Cres. to improve safety for vulnerable road users. | \$92,601 | Jul. 1 – Aug. 31, 2022 | Tim Marcus |
| RM of Three Lakes No. 400 | South Bound Traffic | Speed display sign – Installation of speed display sign to reduce the potential risk of accident and injury to vulnerable road users at Water's Edge Playground. | \$3,899 | Jul. 1 – Oct. 30, 2022 | Karen Smith |
| Village of Torquay | Calming Traffic | Speed display sign – Installation of speed display sign to improve safety for vulnerable road users within the village. | \$3,982 | Jul. 1 – Dec. 31, 2022 | Thera Deschner |
| Town of Vonda | Speed Control for Pedestrian Safety | Speed display signs – Installation of speed display signs to prevent pedestrian fatalities and reduce potential collisions within the town. | \$7,000 | Jul. 1 – Oct. 1, 2022 | Linda Denis |
| Town of Wadena | Radar Speed Management | Speed display signs – Installation of speed display signs at high-risk and school zone areas to reduce potential collisions within the town. | \$16,495 | Jul.1 – Sep. 1, 2022 | Laurie Rudolph |

| Location | Applicant's project name | Project description | Grant amount | Project duration | Contact |
|-------------------------------------|---|--|---------------------|-------------------------|--------------------|
| Resort Village of Wakaw Lake | Radar Speed Initiative | Speed display signs – Installation of speed display signs to reduce potential collisions within the village. | \$8,000 | Jul. 4 – Aug. 31, 2022 | Pamela Hilkewich |
| City of Warman | Safety Review and Improvements Project | Speed display signs & 6' parking curb yellow strips – Installation of speed display signs and yellow strips parking curb to improve safety in school zone areas and reduce potential collisions along Clubhouse Blvd. | \$7,438 | Jul. 1 – Aug. 19, 2022 | Brad Toth |
| City of Weyburn | School Zone Speed Management | Speed display signs – Installation of speed display signs to reduce and prevent potential collisions in the school zone areas around 5th Ave. N in the city. | \$8,620 | Jul. 1 – Nov. 30, 2022 | Jennifer Wilkinson |
| Town of White City | Pedestrian Crosswalk – Safety Improvement Project | RRFB pedestrian crosswalk system and speed display sign – Installation of flashing pedestrian crosswalk and speed display signs on Motherwell Dr. to improve pedestrian safety in the town. | \$14,782 | Aug. 1– Sep. 16, 2022 | Rodney Audette |
| RM of Willow Bunch No. 42 | Walking Trail | Walking path – Construction of a 6km long walking trail adjacent to Hwy 36 through the Willow Bunch community to improve pedestrian safety within the municipality. | \$40,000 | Jul. 1 – Nov. 1, 2022 | Sharleine Eger |
| City of Yorkton | Radar Signs | Variable Messaging Speed Sign – Installation of speed limit and display signs to prevent collision, injuries and improve traffic safety in the City of Yorkton. | \$13,400 | Jul. 1 – Aug. 15, 2022 | Rene Richard |
